

Hosting Cost

Prices and comparisons are based on current information, but may change at any time. Prices given include markup by VMT and may not be the same as found elsewhere.

Informability

Base Price: \$14.95
6 month prepay: 10% discount
12 month prepay: 15% discount

Informability is a small company based in the Chicago area. If assistance is needed, you talk to the owner who knows you by name. Unfortunately, little to know backup exists in the case of extended power outages or other problems; the customer's site could be down for an extended period.

Hosting Space: 500MB
Bandwidth: 1GB
FTP Access: Yes

1 and 1

Base Price: \$5.50
No prepaid discounts

1 and 1 is a large international company. If assistance is needed, a random help desk person is encountered who knows your account ID. In instances of power failure or other problems, multiple backups exist that the customer wouldn't notice a problem.

Hosting Space: 10GB
Bandwidth: Unlimited
FTP Accounts: 1

Bluehost

Base Price: \$8.50
No prepaid discounts

Bluehost is another international company with backup like 1 and 1.

Hosting Space: Unlimited
Bandwidth: Unlimited
FTP Access: Yes
